

WELCOME

2025!

An engine is
only as good
as its component

SM Motorenteile

Dear Madam or Sir,

The first quarter of the new year once again holds some news that we would like to share with you. We are pleased to present our new corporate film which gives you a fresh look at our company and shows what our customers particularly appreciate about us. This year, we continue to develop our product range which we present to you in the usual manner. We will also, as usual, exhibit at various international trade fairs; this year we welcome you to visit our stand in São Paulo, Istanbul and Dubai!

Have fun reading!

Oliver Schöttle and the entire team of SM Motorenteile GmbH
info@sm-original-germany.com

NEW COMPANY VIDEO

Immerse yourself with us in our new corporate film and see for yourself our long-standing company tradition. Special thanks go to the customers whose voices we are able to share in the film. The positive feedback is always a great motivation for us to continue to give our all to meet and exceed your expectations in the future.

NEW DEVELOPMENTS IN SM MOTORENTEILE:

To keep up to date with the latest technologies and supply our global markets in the best possible way, we are constantly expanding our product portfolio through new developments. We are currently developing new engine parts such as piston rings, pistons, cylinder liners and assemblies, valve train parts and engine bearings. Now available for pre-order.

Engine bearings

TRIP TO SAUDI-ARABIA

Customer visits are always a special part of our work, and we are therefore delighted to have successfully completed our customer visits to Saudi Arabia this year. During the trip, Mr. Schöttle and Mr. Bauer further defined and consolidated the strategic direction of the SM brand in the Saudi Arabian market and agreed on details of the upcoming joint workshops.

NEW ITEMS IN STOCK:

As a result of our continuous program extension, we now have new references for Piston Rings, Pistons, Cylinder Liners, Assemblies as well as Valve Train parts and Engine Bearings. Now available in stock!

DO YOU STILL KNOW ME

SM Motorenteile

Among others, Minsk engines (MMZ) are installed in Belarus (MTS) tractors and are not only widespread in Eastern Europe. For the 6-cylinder diesel in-line engine D-260 with a 110 mm diameter, we have the piston [803352-00-1](#) and the assembly [813352-2](#) available from stock.

DO YOU ALREADY KNOW ME

SM Motorenteile

For DAF Paccar engines of the Euro 6 MX13 series, we now have the piston ring set [791325-00-1](#) available on stock. In these particularly high-quality piston rings, both the first compression ring and the oil ring are CDC (Chromium Diamond) coated.

OPENING HOURS:

Due to upcoming public holidays in Germany, our company will be closed on the following dates:

April 18th –21st, 2025 (Easter)

May 29th – June 1st, 2025 (Ascension Day)

June 9th, 2025 (Whit Monday)

June 19th –22nd, 2025 (Corpus Christi)

From June 23rd, 2025, we will be open again as usual from Monday to Friday. Thank you for your understanding!

SAVE THE DATES

Are you already planning for the whole of 2025? We warmly invite you to visit us at the trade fairs in São Paulo, Istanbul and Dubai. Discover our latest products and get advice from our team of experts.

Automec São Paulo from April 22nd to 26th, 2025

Automechanika Istanbul, from June 12th to 15th, 2025

Automechanika Dubai, from December 9th to 11th, 2025
